

## How to see fees

Some Payoneer services might include a fee. You can easily see the full details concerning any fees that might apply to the services you use.

### To view information about fees:

Log in to your Payoneer Account and in the bottom of the left-side tabs bar, click **Fees**.

The screenshot shows the Payoneer Home page. On the left, there's a sidebar with links: Home, Get paid, Pay, Withdraw & transfer, Account activity, Banks & cards, and Business network. The 'Home' link is currently selected. At the bottom of the sidebar, there are links for Privacy | Legal and Fees, with a red arrow pointing to the 'Fees' link. The main content area has a banner saying 'You have information to submit in Verification Center'. Below it, there are sections for 'Balances (10)' and 'Transactions'. The 'Balances' section shows 164.99 USD available on card and 0.00 GBP balance blocked. The 'Transactions' section lists three recent entries: a Credit from Payoneer on 20 Jul 2023 (20.00 EUR), a Debit from Payoneer (164.99 USD), and another Credit from Payoneer (164.99 USD). At the bottom of the page, in the footer, there are links for Privacy | Legal and Fees, with the 'Fees' link highlighted by a red box and a red arrow pointing to it from the sidebar.

This table contains very detailed information about the fees that might be associated with the services you use. The main categories of fees you will find here are:

- **Fees for receiving money**
- **Fees for making payments**
- **Fees for withdrawing money**
- **Fees for using a Payoneer card**
- **Other fees**

Scroll through this table to find the specific category and the information you need. (The screenshot below is a visual example. Information in your Payoneer account will appear differently, based on the services you use.)
